

The 2007 NYSRPA High Power Championship was a great success! Don Stonier, our Junior coach, was the winner of the 2007 High Power Championship with the score of 777-22x, edging second place finisher Frank Adelson by only one "X." Finishing in 3rd place was James Treacy with the score of 774-31X. On Sunday, Don repeated his fine shooting, winning the EIC "Leg" match with the score of 474-8x. Earning the two legs awarded that day were Kerri Lewis (8 points) and Ike Bobsiene (6 points).

We had 78 competitors for the Championship Match and 29 for the EIC match. We had great weather, good food and a fun, safe time. Special thanks go to Julian Alfonso, Ray Carney, Emil Praslick and Bruce Kraft for their work this weekend.
